FUTURE LEADERS OF IT FELLOWSHIP

Application Deadline April 15th 11:59 PM MST

Pine Cove Consulting is awarding the Future Leaders of IT Fellowship to one deserving student attending a US-based school. **The student will receive a new laptop and a remote paid internship.**

The application is in three parts. **Part 1** is for a reference. The student's reference can be school staff, boss, mentor or other community member -. **Part 2** is for the student to showcase their projects, work ethic, and skills in technology. **Part 3** is a technical assessment to be completed by the student on or before the application deadline. Pine Cove Consulting is looking for a soon-to-be grad who has gone above and beyond their coursework, shown to be a team player, and is an outstanding student and community member.

The application may either be typed or filled in by hand.
Please feel free to attach additional documents.
The nominator and student may also apply for the Tech Student of the Year Scholarship.
The reference may be a reference for multiple students.

Internship:

3 Month paid remote internship to be completed in the summer, fall, or winter of 2023
Possibility to get in-person experience in technical installation
10 - 20 hours weekly
The internship is flexible & will adjust to the student's work and/or university schedule

What to Expect:
The internship will include working on real-life IT problems and troubleshooting a variety of networking, software, and cybersecurity issues.

- Learn real world skills and experiences tailored to your service line
- Multi-level mentorship
- An opportunity to explore a career in IT

Who is Eligible:
Students interested in pursuing a career or degree in Informational Technology or a relevant field

---
